

Solutions

- 15" touch monitor
- LED Backlight of clear resolution
- Touch display with high durability
- Support dual monitor vesa standard
- "Free-Moving" by Tilt function
- Organizing cable wires
- Manufacture by our own technology, "Made in Korea"
- Provide the best Customer Service rapidly

Application

Specification

Category		Specification
LCD Panel	Screen Diagonal Pixel Power Consumption Temperature Range Led Life Time	15" 1024X768 10W Operation : 0~50°C, Storage : -20~60°C 50,000h
Cap Touch	Screen Diagonal Controller Surface hardness Temperature Range Touch Life Time	15" Capacitive Touch ILI2511 more than 7H Operation : -20~70°C, Storage : -30~80°C 50,000h
Main board	Input Voltage Input Current Video Input I/O Port Speaker Output Board Life Time	12V DC under 3.0A HDMI USB 2Port, Micro SD SLOT, Serial 2Port Max 3W(2EA) : - Operation : -20~70°C, Storage : -30~80°C 50,000h
